6. The impact of COVID-19 outbreak on HUSTEP Spring 2022  
The ongoing COVID-19 pandemic situation is still unpredictable in Japan. The Japanese government has currently suspended entry of international students, so no HUSTEP students are allowed to enter Japan at present as the entry ban still remains in place. In addition, we have no information as to when the border will reopen. Although we will hold HUSTEP Spring 2022 as scheduled, online options for courses will be provided to HUSTEP students unable to enter Japan due to border restrictions. Thus, please participate in the program by taking courses online until the border reopens.

\* If you have any questions, please contact Ms. NONAKA, Maki, an administrative coordinator of HUSTEP program, at [hustep@oia.hokudai.ac.jp](mailto:hustep@oia.hokudai.ac.jp).
